Project Description
Describe your project for the 2022-2023 School Year (SY) Implementation. (Brief, yet specific that includes the actions, implementation, purchases, etc.):

The Restorative Practices project provides district wide and site based staff training on Restorative Practices including Classroom Circles to foster safe learning environments, relationship building and connectedness, and providing restorative interventions to address problematic student behavior. SUSD has received the Learning Communities for School Success Program (LCSSP) grant from the California Department of Education to support this work, with 2022-23 being the first year of the 3 year grant. Each year a cohort of 14 K-8 schools will participate in professional development on TRRCS.
