<b>Required Prompts(s)</b>	<b>Response(s)</b>
<b>Briefly describe any of the General Fund Budget Expenditures for the school year not included in the Local Control and Accountability Plan (LCAP).</b>	General operations of the district, including management, maintenance of operations (M/O), clerical, and general administration costs.
<b>The total actual expenditures for actions and services to increase or improve services for high needs students in 2021-22 is less than the total budgeted</b>	The difference of budgeted and actual expenditures for identified within the 2021-2022 LCAP and Update relates to two significant barriers to expend the 2021-2022 supplemental and concentration funding.

**expenditures for those planned actions and services. Briefly describe how this difference impacted the actions and services and the overall increased or improved services for high needs students in 2021-22.**

The first barrier arose due to the one-time federal stimulus and state funding allocation to the district, which allowed for expenditures meeting the one-time funding criteria to be shifted to the one-time funding.

The second barrier resulted from the teacher and staffing shortage. One significant example is the adjustment/reassignment of the Instructional Coaches to support direct student instruction.

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

## Budget Overview for the 2022-23 School Year
