Weber Institute Parents and Students.

The Stockton Unified School District has changed its policy regarding caps and gowns for graduation. Effective immediately, Weber will issue caps and gowns to those students participating in the commencement ceremonies. Students must return those caps and gowns after the graduation ceremony.

Students that have already purchased a cap and gown for their use and wish to keep them, you do not need to do anything. Keep and enjoy the memory of this important life milestone.

Those students that purchased a cap and gown for graduation ceremonies and do not wish to keep them, please return them to Weber on for reimbursement **by June 30, 2018**.

Students who have been given loaner caps and gowns, should return them after the graduation ceremony as instructed previously.

It has been our honor and pleasure to have had you as a student. We look forward to hearing about your many accomplishments in the future.
