

Cadet Creed

"I strive to achieve academic excellence. I exemplify high moral character. I work diligently to prepare for the future. I know my success in school and life is dependent on my own effort"

Core Values

Trustworthiness

Respect

Responsibility

Fairness

Caring

Citizenship

About Us

The Academy is currently serving male and female cadets in the 5th through 8th grades for the 2016-2017 school year. Each year after 16'-17', a new group of 5th graders will be added and each class will move up until the academy is full with grades 5-12. Delta College will be offering Administration of Justice courses and will link the Academy to various college programs. Local Public Safety agencies provide support, mentoring, and training at the academy on a regular basis. Students are expected to dress in uniform each day and conform to a Paramilitary Structure. The Academy is housed on the Stagg High School Campus in the R-Wing. The academy is based on the Peace Officer Standard and Training (POST) Recommendations produced by the California Commission on POST.

Stockton Public Safety Academy

The mission of the Stockton Public Safety Academy is to cultivate self-disciplined and forward-thinking cadets, with an emphasis on Public Safety, through a process of rigorous academics, character and leadership development, fitness improvement, and realistic hands-on preparation so that each cadet is college and career ready.

Benefits for Stockton Public Safety Academy Students

- Community service opportunities
- UC/CSU A-G compliant high school courses
- Project Based Learning
- California Technical Education framework and pathway
- Leadership opportunities
- Strict student conduct structure
- Police Officer Standards and Training preparation
- Opportunity to earn college credits while in high school

Public Safety Career Technical Education Pathway

The Public Safety Pathway prepares high school students for work in entry-level positions in public safety and provides foundational education for students who wish to pursue security professional training at the post-secondary level. Students gain experience through project-based, hands-on training, and mentoring from industry and community partner organizations. The evolving integration of state Public Safety organizations with federal intelligence and security agencies, communication and data systems interoperability, coordination of effort, and the shared mission to protect the public post 9/11 are areas of emphasis for the pathway. The careers included in this pathway primarily address law enforcement services, emergency preparedness professionals, homeland and cyber security services, correctional services.

Future High School Courses

- Constitutional Law
- Corrections Occupations
- Criminal Behavior
- Delta College Administrative Justice 21
- Forensic Science
- Homeland Security
- Introduction to Law
- Introduction to Public Safety Careers
- Law and Society
- Law Enforcement Services
- Peer Psychology
