Stockton Public Safety Academy

The mission of the Stockton Public Safety Academy is to cultivate self-disciplined and forward-thinking cadets, with an emphasis on the Public Safety Field, through a process of rigorous academics, character and leadership development, fitness improvement, and realistic hands on preparation so that each cadet is college and career ready.

Cadet Creed: *“I strive to achieve academic excellence. I exemplify high moral character. I work diligently to prepare for the future. I know my success in school and life is dependent on my own effort.”*

CHARACTER COUNTS!

FUTURE LEADERS

The Stockton Public Safety Academy is a full time Career Technical Education (CTE) program of choice located on Stagg High School's campus. The PSA is set to be a 5th-12th grade pathway with its first graduating class in 2021. Currently it serves cadets in grades 5th-10th. Cadets at the PSA follow a para military structure and focus on character development, leadership skills, and exposure to public safety related fields, such as Law Enforcement, Fire, and Medical services.
