

CONCUSSION POLICY

The following is the Stockton Unified School District policy regarding concussions:

A student-athlete who is suspected of sustaining a concussion or head injury in an athletic activity shall be immediately removed from the activity for the remainder of the day, and shall not be permitted to return to the activity until he or she is evaluated by a licensed health care provider, trained in the management of concussions, acting within the scope of his or her practice. The student-athlete shall not be permitted to return to the activity until he or she receives written clearance to return to the activity from that licensed health care provider.

The following Concussion Information Sheet contains information on concussions from the California Interscholastic Federation (CIF). This Concussion Information Sheet is provided for your information only and is not intended to constitute medical advice. If you have any questions regarding concussions, please consult a medical professional. If ever you believe you may have a concussion, please seek immediate medical help.

I have read and understand the Stockton Unified School District policy regarding concussions and the attached Concussion Information Sheet.
