Healthy Tips

When your child is not feeling well, please keep him or her home. If your child is showing COVID-like symptoms at school, he/she may be excluded until they are cleared with our school nurse. During that time, we will provide your child with work to complete at home. Once your child is cleared to return to school, please return the packet. We will meet with the parent/guardian to obtain a signature and clear your child's absences. Thank you all for your understanding during this unprecedented time.

Nice to Know:

Did you know that every Friday is Purple Friday? Every Friday we remind our students and staff to wear purple. Purple is very special to us at Victory, not only is it our school color, but the threshold of every door is a purple line. This is a visual reminder to everyone to have a positive attitude, and that every day and every opportunity is a fresh start!

On Fridays we wear purple or our school spirit wear. If you are interested in ordering a Victory t-shirt, please complete and return the attached order form.
