Dear Wilson School Families,

It is with immense joy and gratitude that I introduce myself as the new Principal of Wilson School. As I embark on this journey, my heart is filled with enthusiasm and a strong commitment to creating a nurturing and academically enriching environment for our students.

I am incredibly honored to have been chosen to lead such a fantastic school, and I eagerly anticipate collaborating with each of you in pursuit of our shared goal – providing the best possible education and support for our students' growth and success.

Additionally, I want to emphasize that for student safety, Wilson School is a closed campus. While we understand the first day of school can be stressful and anxiety-inducing, we will make an exception on that day to allow parents on campus to help ease the transition. However, please note that parents will not be permitted in the cafeteria, the bark box, on play equipment, or inside the classrooms. Once the bell rings, we kindly ask all parents to exit as we secure the campus. Your understanding and support in this matter are greatly appreciated.

Below are a few important dates to start the year.
