Subject: Face Mask Requirements

We wanted to take a moment to remind you of mask requirements at SUSD schools. All Stockton Unified School District K-12 schools will continue to require face coverings. The Governor stated he will sign an Executive Order later this week. Until then, we will continue to follow all distancing and face covering requirements we have set for summer school and for school and office space. Please feel free to contact our office if you have any questions. Thank you for your cooperation and understanding.
