Re: COVID-19 Vaccination Mandate for Students Ages 12 to 17

Stockton Unified School District is aware of Governor Newsom's announcement today regarding the vaccination mandate for student ages 12 to 17 once approved by FDA. The approval could be between January and June of 2022.

The Unified School District will continue with current protocols and procedures already in place until a firm date is provided by the Governor. We will keep you informed as new information becomes available.

The Stockton Unified School District follows all state mandates.

The health and safety of our students, teachers and staff remains a top priority.
