

## Dress Code Policy

Edison High school

The EHS Dress Code Policy is enforced. The goal is to minimize the time students are out of class. Students will be directed to change their clothing when there is an infraction. Students may be provided replacement clothing on an individual basis. Students who borrow clothing from the Reflection Center when there is a violation must return the clothing at the end of the day.

EHS Parents & Students,

The transition back to full time instruction has been productive and successful and now all stakeholders are being reminded of the EHS Dress Code Policy. Dress Code will be strictly enforced particularly items of **RED/BLUE**. We have noticed in recent weeks many students failing to adhere to the EHS Dress Code. Students found in violation will be directed to change clothing and in some cases, parents will be notified to bring a change of clothes. Students and parents will be reminded throughout the week of **November 1st-5th** to be prepared.

**On November 8th, be prepared for full enforcement of the EHS Dress Code Policy.**
