## **International Baccalaureate (IB) Program**

At FHS, we are proud to offer two world-class education IB programs

- Grades 6-10 we offer the Middle Years Program (MYP). The MYP focuses on teaching the whole child while preparing students for the rigours of the Diploma Program (DP).
- Grades 11-12- Diploma Program (DP) offers a more precise preparation for the IB exams that students must take each May.

## **Teaching and Learning Community (TLC)**

- A program to help students become college and career ready by graduation.
- The goal is to make it to a four year university right after high school.
- Students also have the opportunity to attend College fieldtrips and volunteer at other school sites

# **Yellow Jacket Pride**

## **Career and Technical Education (CTE)**

Students can participate in 5 specialty pathways:

- Performing Arts
- Production and Managerial Arts
- Building trades
- Welding and Materials Joining
- Product Innovation and Design

## Distance Learning cont.

- **Distance Learning will be different this year.** You will have specific instructional minutes that have to be accounted for including time interacting with your teachers and with assignments/assessments completed.
- **The state has laid out these guidelines in AB77**
  - ❖ Requires live interaction with students
  - ❖ Attendance required for each period, each day
  - ❖ 240 minutes of daily instructional minutes (including assignments) is required.
- Assignments and assessments are fully weighted for grading. A passing grade is required to earn credits.

# Yellow Jacket Pride

## Block Schedule

- Students and teachers follow a block schedule, which allows students to only focus on four classes at a time instead of the traditional 6 course schedule.
- Classes are longer in minutes to allow for more in-depth discussion and minimal transition periods.
- This schedule allows students to take more classes during their high school career and allows for flexibility in taking Delta College classes or early release/late start for students in their junior and senior year.
