Changes to the SPSA, must be reviewed and approved by State and Federal prior to presentation and approval at SSC.

**Progress Monitoring of each Strategy/Activity/Task:** The SPSA must be developed on the foundation of a Comprehensive Needs Assessment (CNA) in order to meet compliance to expenditure federal funds. The district has provided two templates that leads to the determination of what strategies/activities are necessary for the allocation of federal funds. By reviewing the progress of the CNA at each SSC meeting, the SPSA can be developed more efficiently and purposeful.
