SETTING UP THE PARENTVUE APP

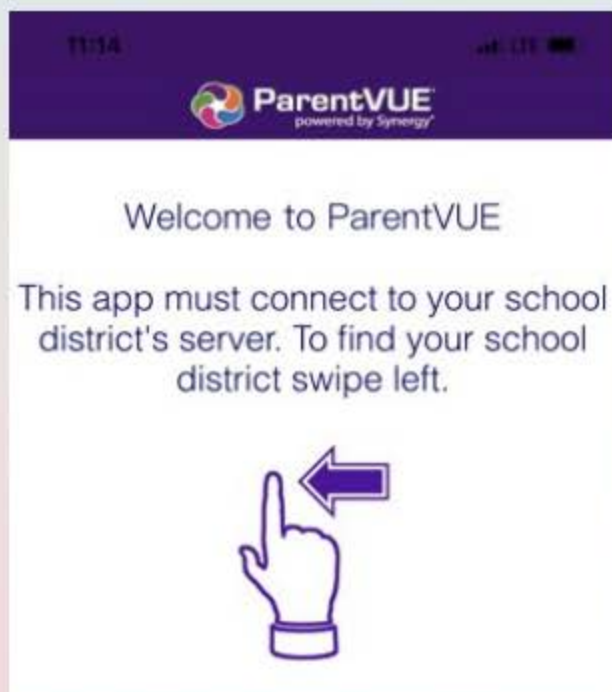

Note: New parents who haven't set up their ParentVUE account yet must first create their account using a desktop computer. Parents with existing accounts can go ahead and use the app.

HOW TO GET STARTED:

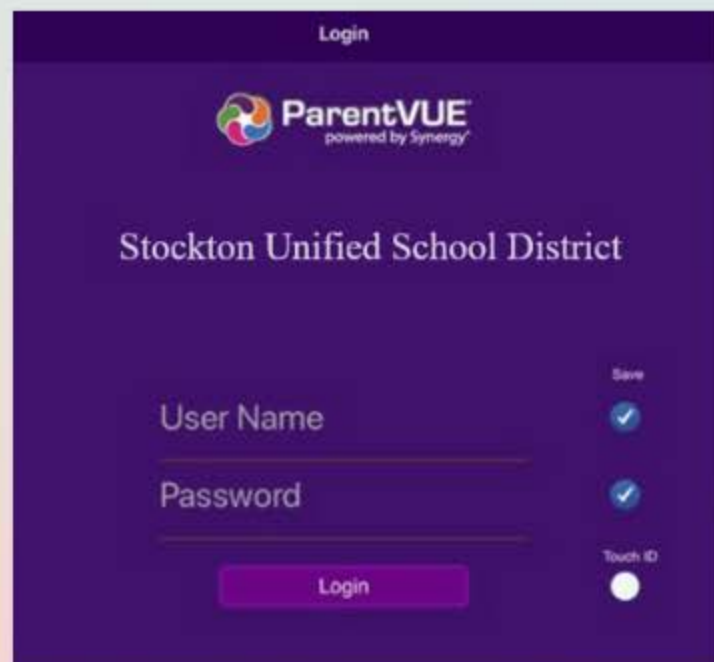

- OPEN THE APP STORE (APPLE) OR THE PLAY STORE (ANDROID).
- IN THE SEARCH BAR, TYPE "PARENTVUE."
- IT'S A FREE APP—JUST TAP "FREE" AND THEN "INSTALL."

1. Select either "**Allow**" or "**Don't Allow**" to receive notifications from "ParentVUE."
2. **Swipe left** and enter your **zip code**.

3. Choose Stockton Unified School District and verify by clicking "**Yes**".
4. **Log in** if your account is already activated, or select "**Create an account**" to set up a new one.

Already have the app? Make sure you download the latest version!

Simply go to the App Store/Google Play, search for "ParentVUE" and click "UPDATE."
