Administrador	(209) 565-0016	8 a.m. hasta las 4:30 p.m.	lunes a viernes

Merlo Distance Learning Chromebook and Google Support

Troubleshooting Tips and Resources

When attempting to connect to the internet at home (steps included on next page) if you get a message that says that connecting to other networks is disabled by administrator, please:

- Restart the Chromebook, you may need to do this a few (3-4) times.
- If issue still persists, please email the serial number of the chromebook and your contact information to pdcsupport@stocktonusd.org

Chromebooks are super reliable. If you encounter something not working, please restart the chromebook a couple of times. It is also a good idea to power it off at the end of the day too.

To report broken chromebooks please call the SUSD COVID 19 helpline at **209-933-7111**, and select Option 7. Broken is defined as keyboard not working, screen not displaying properly, battery not holding a charge, power cord is defective, or Chromebook does not turn on.

If students experience any issues with their Google account, using the chromebook (not a hardware issue), or accessing WiFi, please email the concern or issue to pdcdsupport@stocktonusd.org

Consejos y recursos para la resolución de problemas

Cuando intente conectarse a Internet en casa (pasos incluidos en la página siguiente) si recibe un mensaje que dice que el administrador deshabilita la conexión a otras redes, por favor:

- Reinicia el Chromebook, es posible que debas hacerlo varias veces (3-4).
 - Si el problema persiste, envíe un correo electrónico con el número de serie del Chromebook y su información de contacto a pdcsupport@stocktonusd.org
-

Las Chromebooks son súper confiables. Si encuentra que algo no funciona, reinicie el Chromebook un par de veces. También es una buena idea apagarlo al final del día.

Para informar sobre Chromebooks rotos, llame a la línea de ayuda de SUSD COVID 19 al **209-933-7111**, y seleccione la Opción 7. Roto se define como el teclado no funciona, la pantalla no se muestra correctamente, la batería no carga, el cable de alimentación está defectuoso o si su Chromebook no se prende

Si los estudiantes experimentan algún problema con su cuenta de Google, al usar el Chromebook (no es un problema de hardware) o al acceder a WiFi, envíe la preocupación o problema por correo electrónico a pdcdsupport@stocktonusd.org

Merlo Distance Learning Grading Policy

With guidance from the California Department of Education, the grading system during class cancellations will have the following guidelines:

- The primary goal of **holding students harmless** , as to not penalize them
- Continuing to utilize letter grades in 7-12 as defined in SUSD board policy, and sets expectations for student learning and serves as a motivator for students to improve their grade from last term.
- The grading period reflecting the time period between April 6 and May 27

Reminders and Announcements

- **Breakfast and Lunch Pick-up:** Locations can be found at the following link.
- <https://www.stocktonusd.net/coronavirus>

S

Reminders and Announcements

- **Student Support Services:** A helpline for families and students during the COVID-19 school closure is available Monday through Friday from 8:00 AM to 3:30 PM.

Stakeholders who contact the helpline at **209-933-7111** will have access to speak directly to or leave a message for District Nurses, Elementary and High School Counselors, Mental Health Clinicians, and Child Welfare and Attendance staff.

- If you have a medical or psychiatric emergency, please call 9-1-1.
