District English Learner Advisory Committee

LANGUAGE DEVELOPMENT OFFICE

The Language Development Office has the responsibility for overseeing, monitoring, and supporting the Language Development Program. The staff provides ongoing professional learning, coaching, modeling, coteaching and co-planning, and monitoring of all EL programs in the district.

We provide teachers and other district members with the opportunity for professional learning and coaching pertaining to English Language Development (both integrated and designated), differentiation of instruction, and state compliance. We are dedicated to advocating for English learners by focusing on their academic achievement, language fluency, and self-empowerment.

WE ALSO PROVIDE THE FOLLOWING SERVICES ...

- Translation and Interpretation
- Migrant Education Program
- Parent Engagement: ELAC, DELAC, Migrant PAC
- Reclassification & State Compliance
- Dual Language Immersion & State Seal of Biliteracy
- And more...
